- (2) The customer shall not be entitled to resell any products delivered by ISSF which are under retention of title, except with ISSF's prior written consent.

Article 8 Warranty

Notwithstanding the foregoing, if the customer is not a consumer, ISSF shall have the right to choose between any such remedies at ISSF's discretion, provided that such choice shall be made by ISSF by written notice (including fax or email) within a period of three business days following receipt of the customer's notice of the defect. ISSF may refuse to remedy a defective product in the manner requested by the customer if such remedy would result in unreasonable costs.
- (2) If the remedy (supplementary performance) pursuant to Article 8(1) fails or cannot reasonably be expected from the customer or ISSF refuses to remedy the defect, the customer shall be entitled to terminate the contract, reduce the purchase price or claim damages or frustrated expenses, in each case in accordance with applicable law; provided, however, that damage claims of the customer shall be subject to the provisions contained in Section 9 of these Terms and Conditions.
- (3) The warranty period shall be two years upon delivery of the product if the customer is a consumer or otherwise twelve months upon delivery of the product.
- (4) With regard to customers who are not consumers only, the following shall apply: The customer shall promptly upon delivery inspect the product with due care.
