This policy will apply to athletes of National Olympic Committees (NOCs) attending the Olympic Games Tokyo 2020.

It should be noted that, due to the COVID-19 pandemic and the consequent Olympic Games Tokyo 2020 postponement agreed on 24 March 2020 by the Prime Minister of Japan, Shinzo Abe, and IOC President Bach, and confirmed by the IOC Executive Board, the period of the Olympic Games Tokyo 2020 to be held in 2021 is from 23 July to 8 August 2021.

Therefore, this new version of the Late Athlete Replacement (LAR) for the Games of the XXXII Olympiad Tokyo 2020, has been amended to address the unprecedented situation and supersedes the previous version. This provides an opportunity for all NOCs and International Federations (IF) to adapt their plans accordingly and puts measures in place to protect the health and safety of the Japanese population and athletes.

The deadline for the Final Entries list of participating athletes in the Olympic Games Tokyo 2020 (sport entries deadline) is 5 July 2021 at 23:59 Japan time (UTC+9).

This policy is only applicable for those sports/disciplines where the quota place has been allocated to the NOC and not to an athlete by name.

For those sports/disciplines in which the quota place is allocated to an athlete by name please note that the reallocation procedure will be initiated as per the Late Athlete Replacement procedure and in accordance to the respective Qualification System.

• The “Conditions of Participation” including the “Parental / Legal Guardian Acknowledgement of Consent for Minors” form (if applicable) must be completed and submitted by the relevant NOC for the replacement athlete. The NOC must submit a scanned copy of the “Conditions of Participation” electronically and bring the original, signed and stamped to the Accreditation Centre in the Olympic Village Team Processing Centre.
