Attention all ISSF Athletes:

As you are all aware Values Based Education and Awareness are imperative to ensuring that you avoid inadvertent anti-doping rule violations and that you are informed on the risks of taking supplements, and the importance of checking your medication, competing clean and healthy and ensuring that ISSF competitions remain doping-free.

There are numerous other ways by which you can educate yourselves on your roles and responsibilities with regards to anti-doping.

Webinars are one of the ways that you can better educate yourselves in addition to:

- all the information that you can find and access of the anti-doping page of the ISSF website
  ISSF - International Shooting Sport Federation - issf-sports.org
- all the educational modules and information that you can learn from and read through in ADEL, WADA’s Anti-Doping eLearning platform https://adel.wada-ama.org/learn
- all the information that you access by way of the WADA website Raising the game for clean sport | World Anti-Doping Agency (wada-ama.org)

You are invited to join the Webinar on “What athletes need to know about the Prohibited List and Therapeutic Use Exemptions”

It will be held on 12 May at 1800 EDT. If you wish to register please do so here:
