

EDUCATION AND AWARENESS

HOW TO OBTAIN EDUCATION MATERIALS IN LANGUGES OTHER THAN ENGLISH AND FRENCH?

If you are an athlete, a national anti-doping education officer, or a person who requires any educational materials in your respective language please contact your NADO or RADO (national or regional anti-doping organisation) directly.

- If you do not have their contact information, you can contact iNADO: the Institute of National Anti-Doping Organisations who should be able to provide answers and the proper contact information: info@inado.org
- You can also contact your regional WADA office by sending an email to info@wada-ama.org. There are WADA offices in Europe, Asia/Oceania, Africa and Latin America. WADA should also be able to provide you with answers and the proper contact information.
- If you still are unable to find your NADO or RADO contact information, contact Doris Fischl at doris@issf-sports.org and ISSF will assist you.
